Are there any parts of your life where you feel forgiveness is needed? If so, take some time to start a humble conversation that includes: "I am sorry".

Run or Walk and Help a Cancer Patient Receive Treatments

Cancer Navigators remains overwhelmed with gratitude for our supportive community that is allowing us the opportunity to celebrate 16 years of providing free resources and services to cancer patients in northwest Georgia and northeast Alabama.

Everyone near and far is invited to celebrate with us this year as we continue Cancer Navigators' mission of ensuring no one journeys through cancer alone.

With current fuel prices, patients need assistance with transportation to treatments now more than ever, and Cancer Navigators is hosting virtual and in-person races this spring to raise funds specifically for the transportation program. Every \$25 purchases a gas card or bus voucher to provide a cancer patient in crisis the opportunity to fight and increase their chances of survival.

Racers can run, walk or bike anywhere they want for either 1 mile or 3.1 mile (5K) virtual races. You can go the distance all at once or in increments.

Virtual Race Options:

- 5K Registration - Receive T-shirt and medal (\$30)
- 5K Registration for 2020/2021 Racers - Receive T-shirt, medal, and \$5 discount (\$25)
- 5K Team Registration - Receive t-shirt, medal, and \$5 discount if registering as a group of 5 or more (\$25)
- 1 Mile Fun Run - Receive medal only (\$15)

In-Person Fun Run/Walk:

1 Mile Fun Run/Walk - Receive medal only (\$15) - Happening on Sunday, June 5 at 2 p.m. at the Barron Stadium Track in Rome prior to Cancer Navigators' Annual Daisy Drop at 3 p.m. *All virtual racers are invited to participate in the in-person 1 Mile Fun Run/Walk at no additional charge.

In addition to helping a local cancer patient, and having motivation to exercise, all racers will be entered into a drawing to win a "Dinner for Two" gift card to Chipotle.

2022 Daisy Drop Sunday, June 5 ~ National Cancer Survivors Day

The public is invited to come to the Chief John Ross Memorial Bridge, that crosses the Oostanula River at the Town Green, between 3 p.m. - 4 p.m. to drop daisies in honor or in memory of loved ones affected by cancer. The event is free.

Daisies will be available for pick-up at the Cancer Navigators office the afternoon of Friday, June 3 for you to hold your own special Daisy Drop.

If you can't attend or don't feel comfortable, you can still participate.

Cancer Walk poem by Dr. Matthew Mumber

*I let a daisy drop
Into the brown river,
watch as it floats
toward the banks of the levy,
the broken dam,
to sea,
a single, stemmed daisy-*

*green, white, yellow-
weightless,
particular*

*from seed to first bloom,
like you here-
boundless.*

You Make a Difference

There is no act of kindness too small. Donations to Cancer Navigators make a difference in the lives of cancer patients in our region.

#fifteenforfifteen Continues:

Cancer Navigators may be celebrating 16 years of providing free resources and services to local cancer patients, but we are keeping the #fifteenforfifteen monthly giving program going! With current fuel prices, Cancer Navigators' patients need transportation assistance now more than ever. Your \$15 for 15 months will help 9 patients get to treatments and give them the opportunity to fight cancer.
